Week of June 27, 2022

1. Terminal 5.5: Construction Update

- On the Departures Level, curbside construction barricades and the temporary pedestrian walkway and protective canopy have been removed and all roadway lanes restored and reopened as part of the Terminal 5.5 Cores & APM Interface project
- With the temporary sidewalk removal and lane restoration of the Arrivals Level construction area earlier this month, both levels are now fully restored for pedestrian and vehicular path of travel
- The new connector building between Terminals 5 and 6 is currently scheduled to open in mid-July; watch Construction Hot Topics for more information
- Also at this area, work remains ongoing by the Automated People Project on the new pedestrian bridge where concrete is currently being placed

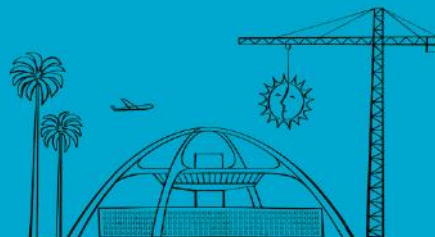

APM Pedestrian Bridge: Concrete Placement

Terminal 5.5 Cores: Departures Lanes Restored

Change is in the Air(port).

LAX WAY BETTER. REALLY.
